Call for nominations

All those who made a difference to the lives of older persons during COVID-19

We are happy to launch the Nazzareno Vassallo Award 2021! Our aim is to recognise outstanding and committed individuals who, in one way or another, helped create a positive impact on the lives of older persons during the pandemic.

Nominations, which may originate from individuals, groups or institutions, as well as local councils and NGOs, are now open. So if you know a dedicated person or entity whose work with the elderly really stood out, go ahead and submit a nomination for this year's award.

This award is being organised by CareMalta as part of the Vassallo Group's 75th anniversary celebration this year. CareMalta, Malta's largest organisation in the provision of care for older persons, operates nine homes for the elderly in various towns and villages across Malta. It employs more than 1,200 people and cares for 1,600 residents.

Those interested may send an email on nvaward@caremalta.com or call 2258 4200 for more information. Deadline for submissions is May 14, 2021.
